

Spectrum to Present Free Concert on the Village Green

The big band sound of Spectrum returns to Chester for a free concert on the Village Green. Celebrating thirty years performing throughout the region and internationally, and acknowledging its first public appearance at a Kiwanis Club of Chester Spring Fling in 1985, group leader Gary Shaver and his nine member band will bring it all home to thank community and local businesses that have contributed so much to the success of

Spectrum. The band's extensive repertoire spans generations from the 40's to the 80's and beyond. No music is beyond the talents of these musicians and vocalists. Great listening and dance pieces.

Bring your coolers and lawn chairs Friday, May 8, from 5 to 8 p.m. Hosted by Heritage Chevrolet and the Kiwanis Club of Chester. Hot dogs, BBQ, French Fries and sodas provided on site by Kings Korner Catering.

Parks and Recreation Receives \$150,000 Contribution from Dominion

The Chesterfield County Department of Parks and Recreation received a \$150,000 cash contribution from Dominion Virginia Power to be used toward the acquisition and construction of trails and linear parks.

"The county is in the latter stages of developing a new Bikeways and Trails plan, and Dominion's generous donation will help us implement some of the planned linear parks," Parks and Recreation Director Mike Golden said.

Dominion Virginia Power is planning improvements at its Chesterfield power station, and the \$150,000 contribution is a proffered condition as part of those efforts.

"Dominion is pleased to partner with

Chesterfield County to make our community an even better place to live and work," Pat Lee, manager of Generation Construction for Dominion, said.

The planning of the new Bikeways and Trails plan began in January 2014. This plan will set the framework to create a system of trails and on-road bicycle facilities throughout the county that will promote healthy lifestyles and provide safe and accessible routes on which to bike, walk and run. The plan is part of the Phase II of Moving Forward – The Comprehensive Plan for Chesterfield County.

The Bikeways and Trails plan was presented to the Parks and Recreation Advisory Commission (PRAC) for a public hearing on April 2.

Spring Festival at LC Bird April 25

The L. C. Bird High School PTSO is sponsoring a Spring Festival on Sat. April 25 from 9 a.m. – 4 p.m. (rain date-May 9). Admissions and parking is free. The festival will include vendors, crafts, tag sell, antique car cruise-in, a children's carnival and food concessions. Proceeds
