

# Kindergarten registration April 20

Kindergarten registration for all school divisions in central Virginia is April 20. Kindergarten is a full-day program offered in every Chesterfield County elementary school. A child must be 5 years old on or before Sept. 30, 2017, to attend kindergarten.

Every Chesterfield County elementary school will register incoming kindergartners from 9 a.m.-7 p.m. on April 20. Parents are asked to take their children to the elementary school they are zoned

to attend. To find the correct school, parents may call 318-8743 or go online to [mychesterfieldschools.com](http://mychesterfieldschools.com) and click "Find my School" in the Parents section.

Children should come with their parents April 20 for a brief evaluation. Parents must bring the child's certified original birth certificate.

To attend Chesterfield County Public Schools, children must reside in Chesterfield County with a parent or legal guardian, so parents must also bring

their photo ID and one of these proofs of residency to the registration: lease for at least one year or deed of a residence in Chesterfield County; contract or lease free of contingencies to occupy a Chesterfield County residence within two months of the date of enrollment; resident manager's letter on company letterhead stating that residence is a corporate residence in Chesterfield County; weekly receipts for temporary residence in a hotel or motel for up to 60 days (requires renewal or evidence of more permanent residency within 60 days of enrollment). Parents submitting a "lives with" form must bring the person they live with to registration. That person must provide a lease, deed, or one of the other proofs of Chesterfield County residency, and the parent of the incoming kindergartner must provide two supporting documents showing his or her name and correct address before the first day of school on Sept. 5, parents must supply medical records showing their child has had a physical examination within the past 12 months and listing the dates of each state-required immunization.
